List the 8 traits James lists in 3:17 and write out the dictionary definition for each trait.

Who is an example of this kind of Godly wisdom in your life?

How can you use the 8 traits James mentions to discern the wisdom you hear or receive?

Worldly wisdom tells us to lift ourselves up, to pull ourselves up by our bootstraps, to always look out for #1, etc.

How does 4:10 contradict that mentality? Where do you see yourself trying to elevate your own status, instead of waiting for God to lift you where He wants you?

How could 4:10 and 4:6 change the way you behave in a conflict or disagreement?

What does it mean to be double-minded? How can humility combat this?

What can we learn about God in this passage?

Prayer:

Father, thank you for the gift of your wisdom. Open our eyes to see clearly, and give us discernment to recognize both earthly wisdom and wisdom that comes from you. Help us to submit ourselves to your perfect will, humbling ourselves in our relationship with you and with those around us. Fill us with your perfect wisdom, help us act out of that, and create a deep desire within us for more of you. In the name of Jesus, amen.
