

# UNSUNG HEROES

OF THE BIBLE

## LYDIA

### ***Growth Group Opener:***

**Have you ever felt led by God to do something, but when you obeyed, found the circumstances, or the results, were not at all what you imagined?**

***Read: Acts 16: 6-15; 16:40; Philippians 1: 1-6; 4: 14-20***

***(If you have time and inclination, read the entire book of Philippians (4 chapters) to read about what became of the brand new church Paul planted with Lydia.***

What struck you about Lydia's story, both from the text and this week's sermon?

What is interesting about who Paul was looking for vs. who he found when he arrived in Macedonia/Philippi?

What is noteworthy about how Paul reacts to this seeming inconsistency?

How did Paul use what he was given in order to further the kingdom?  
How did Lydia?

Is there anything you see in the way Lydia lived that you want to emulate?

What can we learn about God from this passage?

How are you using what God has given you, specifically, to further His kingdom?

What good work has the Lord started in you that you want Him to carry on to completion?

Is there anything you feel the Holy Spirit nudging you to look at more closely?

**Prayer:**

Father, thank you for including Lydia and her story in your word. Thank you for the example she sets for us of diligence, leadership, faithfulness and generosity. We pray the same prayer that Paul prayed for the Philippian church, that you would carry on the good work you started in each of us through to its completion, to our maturity, and to our sanctification so that we look more and more like Jesus. In the name of Jesus, amen.
